I have one
brother,
his name is Luc.

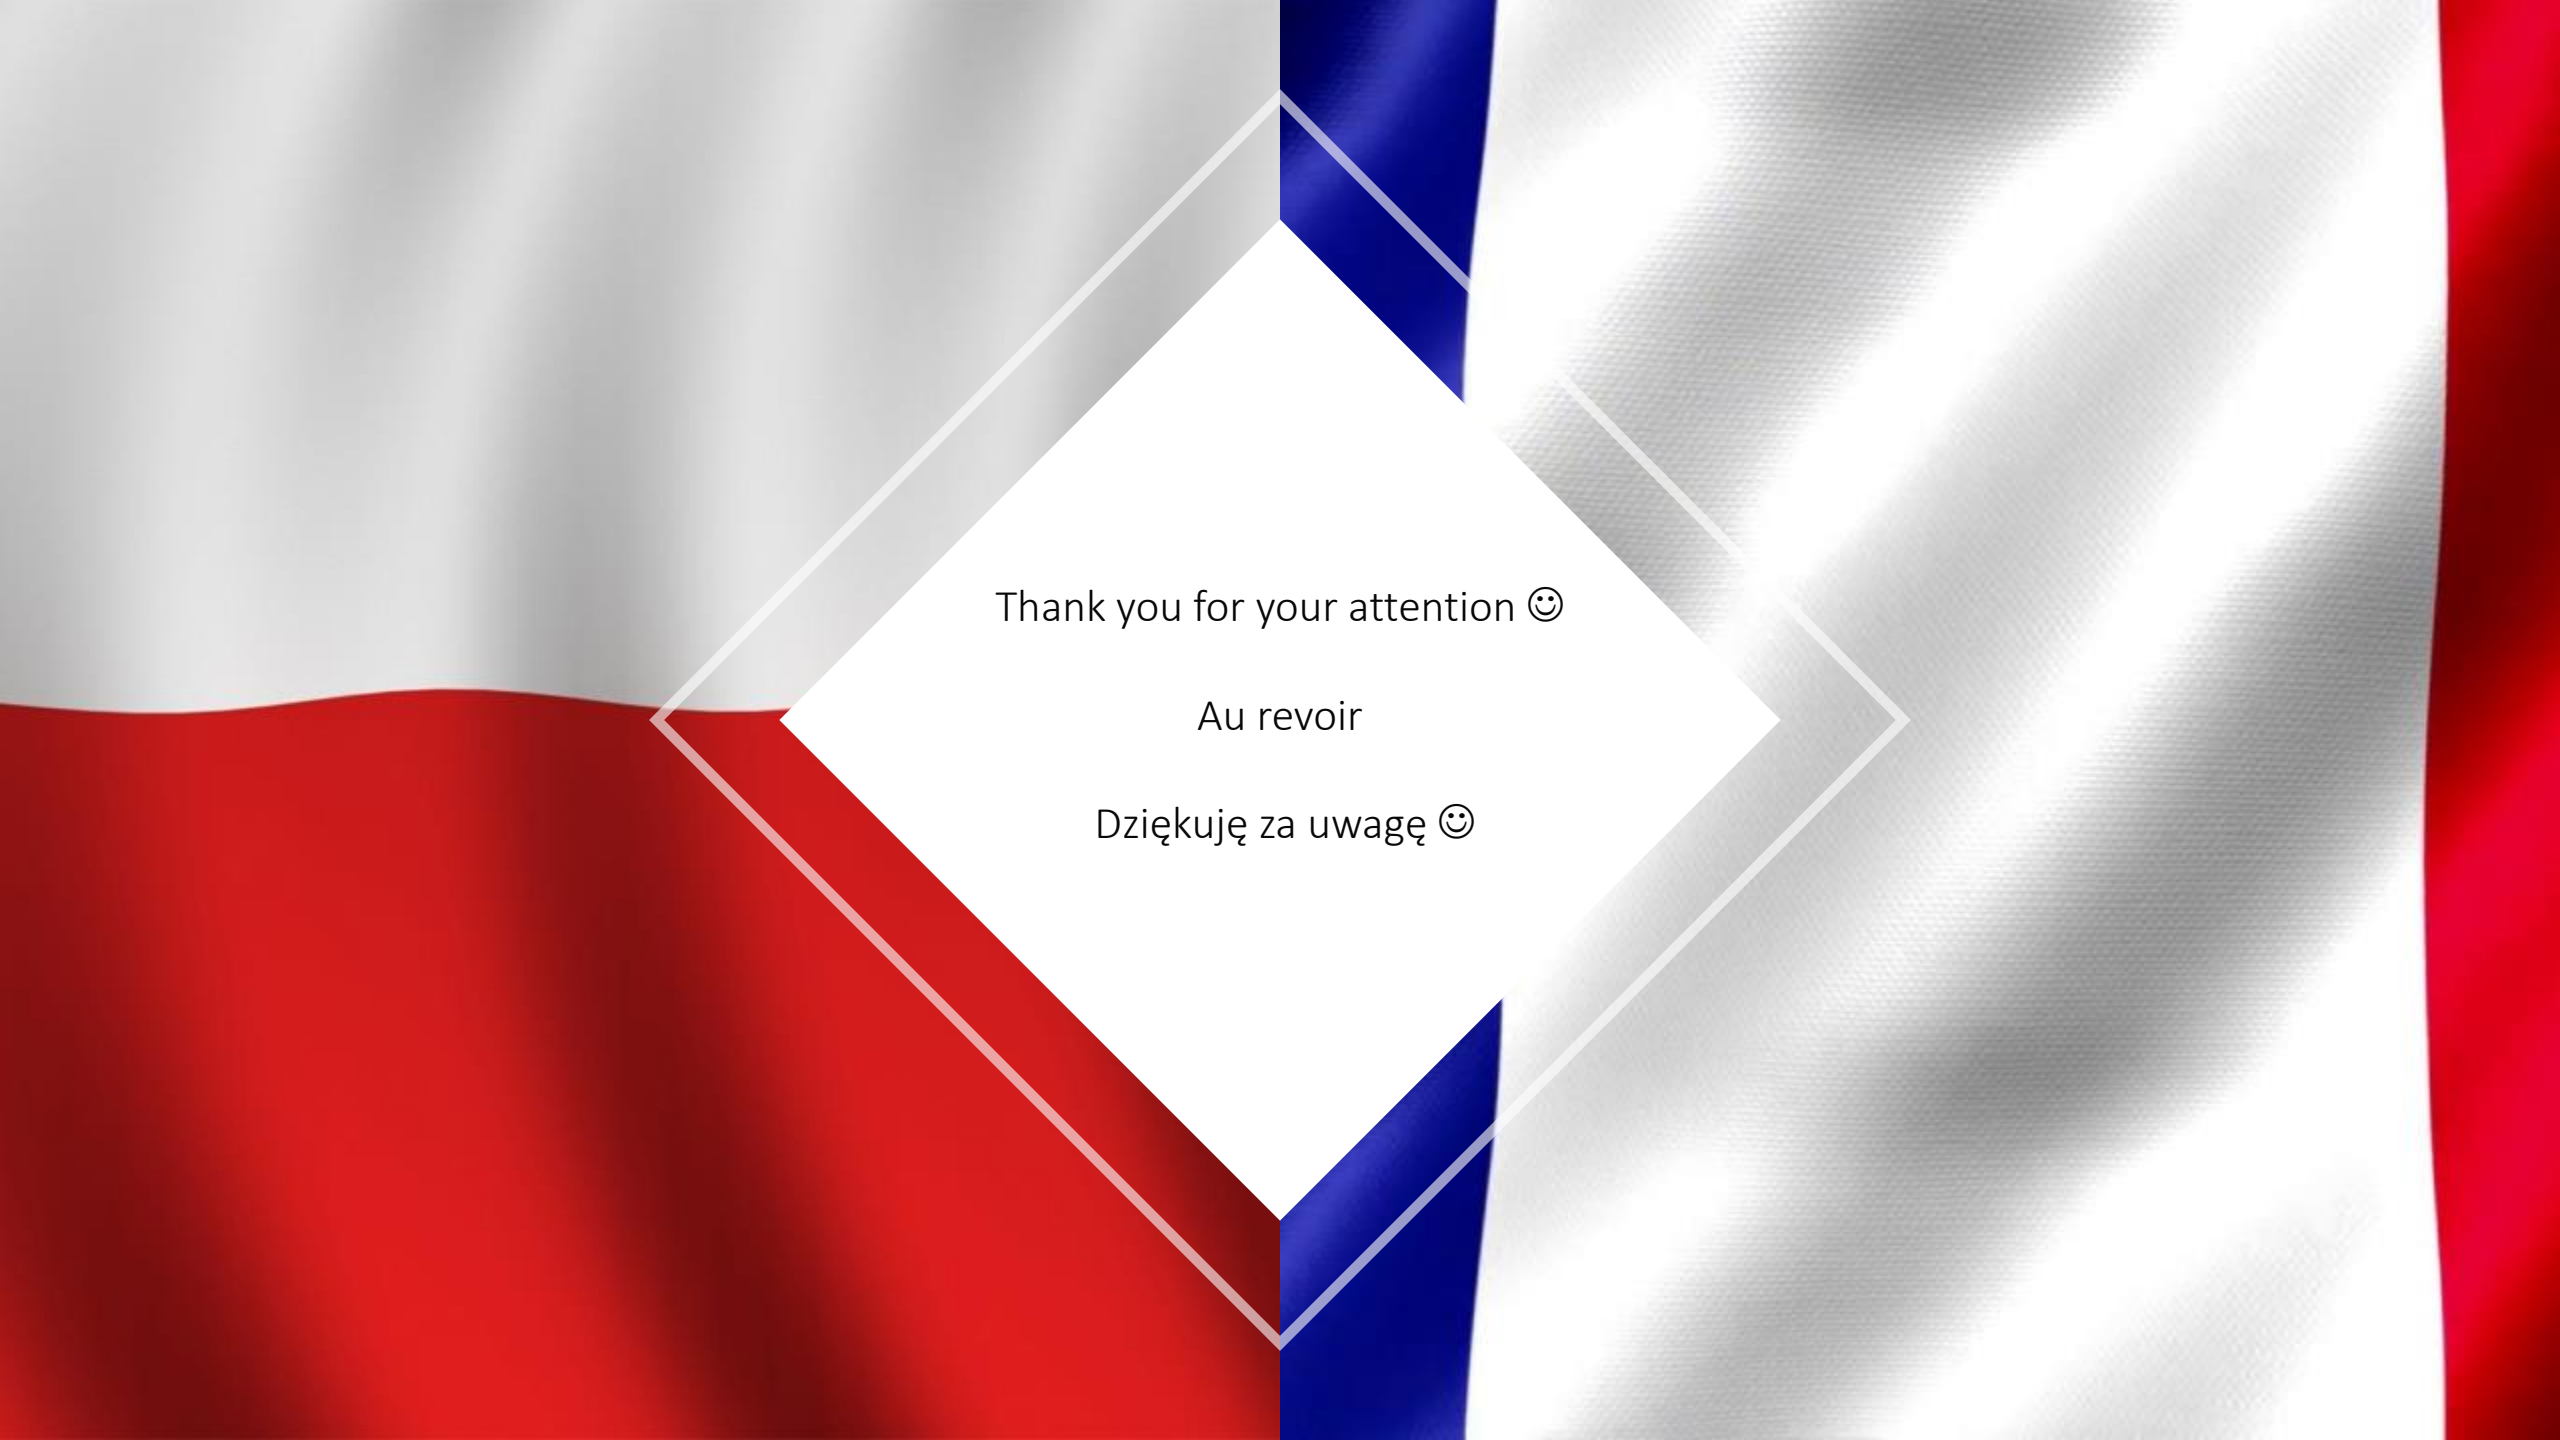

I studied international relations. This is the Graduation the Day!

I love travelling.
This is in Budapest and Vienna with my
classmates.

In The United States. I studied at Oklahoma University and I did an internship in Washington D.C.

The background features a white diamond shape with a thin white border, centered on a background of red and white wavy patterns. A blue ribbon-like element runs vertically through the center, overlapping the diamond.

Thank you for your attention 😊

Au revoir
