

6.10 – ZOO (class 1a BS and 4a TE)

In this first week of our volunteering, we had the chance to go to the Zoo in Wroclaw, with the class 1a BS and the class 4a TE. On this trip, we met the people from these classes and they were really nice to us. We were talking together through the Zoo, meanwhile we saw different animals. We spent a lot of time at the Aquarium seeing a lot of animals from the sea, but not just fishes from all over the world, also; seals, hippos, sharks...

After it, we stopped to have lunch together and then we continued with some animals from Africa like an enormous elephant or a furious tiger. We walked all around the ZOO. Even though we walked many kilometers, the day passed quickly and we enjoyed the time that we spent in ZOO with the atmosphere of the coming autumn.

It was a really nice day!
