

## Field trip to the theater

On October 18, we visited the "Wrocławski Teatr Lalek" theater with classes 1 to 3. The children were very excited and hyped about it. The theater was packed. The fairy tale was called „*Calineczka*“ and tells the story of Thumbelina. In the story, she is kidnapped by the Toad Aga but manages to escape. After this incident, another one happens, and through all of this, she discovers who she really is. During the play, the children laughed a lot, were shocked, and were very happy. It was a wonderful field trip for the children.

In this picture you can see the 3rd and 2nd class posing in front of the "Wrocławski Teatr Lalek" theater.
